Stuck on Dynamic Programming

Studyman Buddyson

This is some content where Studyman Buddyson is explaining how stuck he is on this crazy dynamic programming problem. He skipped lecture too, so he's completely screwed. Silly Studyman Buddyson. Good thing we're making StudyBuddy, so he doesn't have to face that monster homework alone.

Apoorva Gupta

Hey Studyman Buddyson! I totally missed that lecture too. I'm heading over to the BBB in 10. Bringing a friend who's also in 281 lol

Preeti Mohan

Hey guys I think I understood what Paoletti was talking about in lecture... Anyway I have some notes that could help if you guys wanted to see them!
