Stop Working Alone

StudyBuddy is a simple social platform that helps you discover opportunities to collaborate with students near you. It's designed to take stress off of you when courses get challenging by working with others. We believe that working together lets us work better - no matter what we're doing.

Work Smarter

There's a lot of help out there, but how fast can you get what you need from a book? Sharing knowledge helps you learn faster.

Meet New People

StudyBuddy is perfect for meeting new people in your class. Get together and work on anything from projects to test preparation.

Why?

Get Un-Stuck

Being stuck is no fun. It happens to the best of us. When one head isn't enough, we help you find a new, fresh perspective and keep you productive.

Keep it Relevant

Don't like clutter? Us either. We have tools to help you find what's relevant to you and leave out the other stuff. Stop searching and start getting the help you need.
